**Remington Model 700 Parts**

We have all parts made for Remington Model 700 actions in short and long. Some are as new, some are slightly used, and some are completely new. We have take off barrels, stocks, ADL trigger guards, BDL trigger guards, magazine boxes, stamped or milled followers, trigger guard bolts and any other parts. Call for availability and pricing anytime on M-Sat. 9:00-9:00. Trigger parts are not for mail-order. We must see the rifle and perform the maintenance here. Turnaround time is usually 2 weeks depending on the level of problem. Pricing is prorated on trigger parts. If it is a Military or Law Enforcement Rifle please call and we will help you out to the best of our ability.
