2011 Pricelist**

Tactical Standard Grade

The Iron Brigade Armory Tactical Standard Grade is a combination of the Tactical Precision Rifle and the Chandler Sniper Rifle. We have integrated features used on the Chandler Sniper Rifle to enhance the overall performance. Consistency, accuracy and durability are the major concerns. By using the HS Precision Stock and modifying the bedding block we are able to offer a very accurate rifle at an affordable price. The Varmint Spec Hart Barrel is available in either 20 or 26 inches. A barrel pad is installed to allow disassembly and still maintain zero once it is reassembled. With the one piece scope mount including a heavy duty recoil lip, this rifle is guaranteed to maintain zero and accuracy in all conditions. The IBA Manowar finish is completely corrosion proof eliminating rust 100%. This finish is available in Black or OD Green.

Standard Grade Features Include:

Action:

- Remington 700 Scope Mount holes drilled and tapped to 8-40, performed on a mill for true alignment
- Bolt face and action squared and trued
- Follower and magazine box modified for reliability and ability to hold five rounds

-Trigger:

- Standard Remington 700 trigger rebuilt and tuned for optimum performance
- Set sear engagement and over-travel
- Pull weight adjusted to 3-3/4 lbs.
- Adjustment screws sealed to prevent loosening under routine use and recoil

-Barrel:

- Hart stainless steel 416R 20 or 26-inch PSS taper with 1:12 twist (.308)
- Improved recoil lug for enhanced bedding capabilities resulting in stability
- USMC style muzzle crown for protection of muzzle

Stock:

- Bell and Carlson BCS1000 Stock with aluminum bedding block.
- Titanium barrel pad installed forward of the recoil lug
- Skimmed with Marine Tex for long lasting and durable performance
- Aluminum bedding block modified for optimum support allowing premium accuracy
- Two swivel studs front, one rear, epoxied to eliminate loosening

Leupold Tactical Scope

- MK4 4.5-14x40 Precision Rifle Side Focus w/ 30MM Tube
- Mildot Reticle Standard
- Target knobs with ¼-minute click adjustments
- U.S. manufactured, Lifetime warranty
